

Critical business thinking
gleaned from the hunt of
Africa's most successful
predator.

(IN STORES OCTOBER.2009)

Requested from Bangkok to the Bahamas, Kivi Bernhard has been described by leading speaker bureaus as *“one of the most gifted and promising business speakers in the world today.”* Using the hunting habits and techniques of the African leopard, the most successful feline predator on earth, Kivi Bernhard guides his readers through the captivating pillars of Leopardology™. You got it! Critical business thinking and strategy gleaned from the hunt of Africa's most successful predator. No kidding – Leopardology™ has been incorporated into the MBA programs of leading business schools. The book seamlessly, transitions between the **“bush”** and the **“boardroom”** with riveting and intellectually enthralling stories of both. Relocating to the USA in 1997 with \$860.22 Kivi built a multimillion dollar international diamond business. The book which reflects this journey, takes you on a virtual safari where Kivi draws metaphors of personal and corporate success that will simply leave you spellbound!

“... This book is unique in a refreshing way, and Bernhard's intellectual contrast between business success and the hunt of the African leopard was riveting! Read this book and you'll walk away with some new standards for your personal success strategy...”
